Municipal Debt Issuance Fundamentals (Session 1)

California Debt and Investment Advisory Commission

Partner Jacquelynne Jennings will lead a two-part series about the bond issuance process. The series will examine the fundamental aspects of the process, including a general overview, conditions and variables to consider, key roles a of the financing team, and post-closing responsibilities.

“Session One: The Path to Issuance,” will provide step-by-step insight to an issuance process. As a co-presenter, Jacqui will discuss the roles and responsibilities of the issuer and the members of the financing team, initial disclosure, the financing documents and continuing disclosure undertaking, pricing the bonds, and the day of sale activities.

“Session Two: You Sold Your Bonds, Now What?” will be on September 16, 2020. Please view more information here.
